Re: Grievance filed against Mr. Ross David Grisham, Bar# 312736

Dear Mr. Duncan:

Thank you for submitting your grievance with the Office of the General Counsel of the State Bar of Georgia. We carefully reviewed the grievance you filed with our office against Mr. Grisham.

You complain that Mr. Grisham did not allow you to turn over evidence of a criminal conspiracy by Robert Dee Rose & Bashama Catering to the authorities. The information furnished is not sufficient to show any violation of the State Bar of Georgia's ethics rules by the attorney because the details were not specific related to his legal representation of you. Therefore, the grievance is dismissed.

Nevertheless, dismissal of the grievance by our office does not affect any other right you may have under Georgia law.

Thank you.

Sincerely Yours,

Carmen Rojas Rafter
